Discussion Questions

1. Pastor Dave thinks that John 3:3 is the most important verse in the entire bible. Why do you think he believes it is so important?
2. What do you think of when you read in John 3:5 that one must be born of water and the Spirit? It might not be what you think!
3. What does Jesus say about the steps that one must take to be born-again and made fit for the Kingdom of God?
